**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is important for creating efficiency in the marketplace and for providing options for us consumers. Americans need connectivity, and local broadband providers are more important today than ever before. Please preserve the Telecommunications Act of 1996 and competition in the broadband marketplace. Thank you.
